

# MONSOON WARNING FOR INDIA

Dear Customers,

we would like to make few recommendations due to a ongoing monsoon season in India.

Please inform the Indian shippers to properly shrink wrap and pack the cargo prior handing over to our warehouses to avoid damage due to rainwater seepage.

The contents of cartons or corrugated boxes should be packed in external plastic, cases should have internal air tight packing according to the seaworthy packing standard to avoid water damages.

Also kindly request the Indian shippers to insure their valuable cargoes.
